The doctrine of salvation

Acts 16:31

1 Corinthians 11:23-34

Salvation is

Deliverance from destruction, loss, or calamity.

It sometimes means a **rescue** from natural dangers, afflictions, addictions, or fears;

Most of the time it means **deliverance** from sin and its results.

Acts 16:31

Salvation is

The gracious work of God whereby He delivers an undeserving, gospel-believing sinner from sin and hell and brings them into a special relationship with Himself and His people.

**God gave His church an ordinance to proclaim this wonderful event and doctrine. Let's look at
