Dear Parents,

We appreciate the opportunity to work with your child at South New Milford Baptist Church. We count it a privilege to teach them about Jesus Christ. For their safety we need to never go over our limit on the van as they are transported to and from church. We are at capacity so we need to ask that if you can give your child a ride it would allow us to open up more seats for those who don't have rides. Please fill out this form, sign it and be sure your child has signed that he/she understands the guidelines below and return the form to the driver. ***Please write the church phone number down: 570-434-2101***

I give South New Milford Baptist Church permission to transport my child to and from the church on the church van. I have read the van guidelines and I agree to abide by these and have gone over them with my child. I understand that accidents can happen and I give SNMBC and the leaders present my permission to provide emergency medical treatment if something were to occur on the van or at the actual program my child is attending.
